RESEARCH AND AWARDS GRANTS

PO Box 3661, Rundle Mall, Adelaide S.A. 5000 Phone & fax 61 8 82077265

Email: admin@rgssa.org.au

APPLICATIONS ARE NOW INVITED

Closing date 30 April & September each year

Up to \$3500 is available

The Council of Royal Geographical Society of S.A. encourages research into various aspects of the geography, historical geography and environmental issues of South Australia or the Northern Territory.

Honours and higher degree students are particularly encouraged to apply, as are young researchers embarking on a career.

The Council seeks applications from interested persons who wish to seek a grant to:

- enable honours, masters and doctoral students to complete a project as part of their award;
- assist in the completion and publication of a research project ;
- enable publication of recently completed research;
- enable a new research project to be undertaken;
- receive assistance with research-related travel, books and/or materials or publication costs.

Applications are assessed in **April** and **September** each year through the Society's Research and Awards Committee.

Please note the following:

1. Applications must be made using the headings provided on the application pro-forma.
2. In the case of *students* the application **must be signed by the supervisor**.
3. In other cases the **names of two referees** who can comment on the project and testify to the research ability of the applicant should be included.
4. A brief summary of the proposal together with a broad outline of how the funds will be spent (see pro-forma) is required.
5. The successful applicants will be required to submit a report to the Chair of the Research and Awards Committee at the completion of the project. The report should be in a form suitable for publication in the Society's newsletter *Geonews*.
6. The grantee may be invited to address a meeting of the Society on the subject of the research project. (No fee is payable in this connection.)
